I am pleased to comment on the outstanding performance of Mr. Festus Ohan as a Deputy Probation Officer for the County of Los Angeles.

Mr. Ohan was the Probation Officer at Monroe High School supervising the "WIFI" Program which kept children in school where there were family and social problems.

Dear Mr. Ohan,

Thank you for contacting the National Board of Medical Examiners.

We received your request to provide your Medical Sciences Knowledge Profile (MSKP) scores taken in 1980. This was a program of the Association of American Medical Colleges (AAMC) for its member schools. The NBME developed the examination for the AAMC.

Please be advised that you need to contact the AAMC in order to get an MSKP transcript. Contact information for the AAMC can be found on their website, www.aamc.org.
